Exploring the City for the First Time

I'm glad you are coming to visit next week! I want to give you some tips about getting around the city. Some areas are (1) _____

than others, especially the old downtown streets, where traffic can be very heavy. Streets can also be (2) _____, so walking is often faster than taking a taxi.

If you are coming by bus, look for the stop (3) _____ of the museum; it is easy to find and close to the main square. Try to (4) _____ the industrial zone during rush hour because it can be very slow and noisy. The neighborhood near the park is (5) _____ and quieter than the city center, with lots of green spaces. Shops and cafés are close by, so you can avoid (6) _____ far.

I hope these tips help you enjoy your visit without getting lost or frustrated. Have a safe trip!
