Afaq Private School

5th Grade

Unit 1 worksheet

1

ورقة عمل الدرس الأول / الصف الخامس /

Read the text and Write true (T) or false (F):

In Britain, children go to nursery school when they are three. All children have to go to primary school when they are five and then to secondary school when they are eleven. They have to take special exams when they are eighteen to go to university. However, in Syria children go to nursery school at the age of three. All children have to go to the basic school when they are six. Then they begin the secondary school at the age of fifteen. In order to go to university, they have to pass special exams.

1. In Britain, children go to nursery school when they are five. True False
2. In Britain, students go to primary school when they are six. True False
3. Children go to nursery school at the age of three in Syria. True False
4. Students start the secondary school at the age of eleven. True False
5. In Syria, students go to nursery school then to basic school. True False
6. Both in Britain and Syria, they have to take special exams to go to university. True False

Read the text and write true (T) or false (F)

Hi! I am Ameer. My new school is very big. It has a big playground, a big library, three computer labs, twenty classrooms, three science labs, four bathrooms and a canteen. It's my first day. Our teacher has to read the roll call and tell us that we have to wear our school uniform. We have to arrive at school on time. We can play in the playground, but we have to walk in the corridors. We don't have to do our homework at school. We can read books in the library but we have to keep quiet there.

7. There is a place to eat in. True False
8. There are only two science labs. True False
9. They can read in the library. True False
10. They can run in the classroom. True False
11. They have to keep quiet in the library. True False
12. They have to run in the in the corridors. True False
