True

False

2. The teacher says learning is about curiosity and creativity.

True

False

3. There are no tests at all in Kurikulum Merdeka.

True

False

Part 2 – Reading Section

Read the short text below:

The Kurikulum Merdeka is a new learning system in Indonesia that gives students more freedom. It focuses on projects, skills, and character building. Students can choose subjects that match their interests, and teachers act as guides instead of traditional instructors.

Answer these questions:

1. What is the main focus of Kurikulum Merdeka?

2. What can students choose based on their interests?

3. What is the teacher's role in this curriculum?

Part 3 – Speaking Section

Instruction: Record or say your answer aloud.

1. What do you think about Kurikulum Merdeka?

2. Do you like project-based learning? Why or why not?

3. Describe one project you've done in school.

Part 4 – Writing Section

Write a short paragraph (5–6 sentences):

"How does Kurikulum Merdeka help students become more creative?"
