AT THE HOSPITAL!

I- Conversation practice(Resource: https://www.excellentesl4u.com/esl-doctors-conversations.html)

Situation: Jane is unwell and visits the doctor.

Doctor: Hi, what's wrong?
Jane: I feel unwell and keep vomiting all the time.
Doctor: How long have you felt like this?
Jane: Nearly two days. It started just before going to bed the day before yesterday.
Doctor: Let me examine you. I will press on your stomach to see if it hurts and then listen to your heart.
Jane: Ok. It doesn't hurt when you press my stomach. I just feel tired.
Doctor: Ok. Did you eat anything different from usual before you started to feel this way?
Jane: Yes, my boyfriend cooked dinner for me. He isn't a very good cook and the food tasted a bit strange.
Doctor: You've got food poisoning. It is not very serious and you should be better in another day.
Jane: Oh dear, what should I do.
Doctor: You need to drink lots of water and get plenty of rest.
Jane: Ok, thank you doctor.
Doctor: You're welcome. If you are not better in 48 hours come and see me again.

II- Make an appointment

Situation: Andrew does not have an appointment and needs to see the doctor urgently.

Andrew: Cough, cough. I'd like to see the doctor please.
Receptionist: Do you have an appointment and what's your name?
Andrew: No I don't have an appointment. My name is Andrew Jones. I'm registered as a patient of Doctor Crow.
Receptionist: Doctor Crow is making house calls all morning and all the other doctors have a full schedule of appointments all morning. Make an appointment and come back tomorrow.
Andrew: Surely there must be something today. I really am very ill. I feel awful.
Receptionist: Someone might cancel an appointment. You can sit and wait if you want to.

Receptionist: Mr. Jones, the doctor will see you now. Please go to consulting room number 3.

Doctor: Good morning Mr. Jones. What is wrong?
Andrew: Morning. I feel very ill. I am coughing and sneezing, I have feel hot and cold all the time and eating makes me feel sick.
Doctor: Let me take your temperature. How long have you had the symptoms?
Andrew: They started about a day ago.
Doctor: Yes your temperature is very high. You have the flu. You'll have to go home and stay in bed until it gets better. Drink lots of water.
Andrew: Can you give me some medicine?

LIVEWORKSHEETS

Doctor: I can give you something to reduce your fever but you just need to get bed rest. I will write you a prescription and you can collect the medicine from the pharmacy.
Andrew: Ok, thank you.

III- Write a conversation using the following sets of questions.

Question set A	Question set B
• How often do you visit the doctor? • Do you think it is important for people have health checks from a doctor regularly? • Would you like to be a doctor? • What should happen when a doctor makes a mistake? • Do you think doctors are important, why?	• Is it better to see a doctor in a clinic or a hospital? • How long do doctors have to train for? • Have you ever had to visit a specialist doctor? • Do you know anyone who is a doctor? • What do you think is the best part of being a doctor?
