

Baby, you look perfect to me,
Even though you never believe me
saying.

Sometimes I feel like you're just a dream,
That's fading away, that couldn't exist.

24 hours a day,
You stay in my head,
And I just don't think it's normal.

I'm falling for another mistake,
I'm open too much,
Too honest with you.

But what can I do?
I'm falling in love,
I'm falling for you.

What can I do?
I can't get enough,
I'm over the moon.

You can change my weather,
Time we spend together,
No one knows me better than you.

As beautiful as ever,
Make it last forever,
Nothing else matters but you.

24 hours a day,
You stay in my head,
And I just don't think it's normal.

You could be another mistake,
I'm open too much,
Too honest with you.

But what can I do?
I'm falling in love,
I'm falling for you.

What can I do?
I can't get enough,
I'm over the moon.

When I look into your eyes,
I get stomach butterflies.
I can't stop myself from falling in love.
