At home **IN THE GARDEN**

British people love their gardens! They spend a lot of time in them, especially in the summer. Some people's gardens have got a lot of furniture. Typical furniture is a garden (a) or a sofa for people to sit on and a (b) to put drinks and snacks on. People don't use (c) or microwaves in the garden, but some people have got barbecues for cooking outside. Other people have got household objects like a small (d) to keep their drinks cold in the summer. Some gardens have even got a (e) because people want to watch their favourite films and series outside! The only piece of furniture that people haven't usually got in their garden is a (f) to sleep in!
