**I'm Ivan and I'm from Russia.** I live with my mom, my dad, my grandma, and my sister. Mom and Dad go to work every day, so Grandma makes my breakfast. I usually have tea and bread with honey. I walk to school with my friend. We have lessons all morning, but when we need a break we do some exercises. I go home at lunch time. After lunch, I do my homework. Sometimes, I help Dad work in the back yard. In the evenings, I read or watch TV. I go to bed at nine o'clock.
