A	The Wild World This place has one hundred and fifty animals from all over the world. It is open every day except for Tuesday and they provide discounts for the first fifty visitors every Sunday. You don't have to bring your food if you are staying until evening since lunch is included in the ticket price. The visit to this zoo is really interesting as you can get close to the animals with the train ride from one area to another. Don't forget to wait for the fire show at night. It is not to be missed.
B	The Blue World It homes more than 250 kinds of sea animals from Malaysia and all over the world. We are not open for visitors on Sunday for cleaning but we have a 10% discount on the ticket price for the next day. You will have to bring your own food since the café is closed. Every Tuesday, we also offer a photo time with dolphins and sealions where you can get as close as you want with them. We are open until evening since the water is dark when it is getting late.
C	The Safari World Safari Park offers the cheapest ticket in town. If you visit us on Sunday, you will get half the ticket price with free tickets for children below 3 years old. To be safe, all animals are behind bars. We have 200 types of animals from both worlds last year. It is a big zoo so don't forget to pack some food since our free food promotion has ended. If you are tired, you can choose a train ride. We are open from 9.00 a.m to 9.30 p.m every day.
