Bagian 1

Isilah bidang kosong dibawah ini tentang proses perumusan Pancasila!

The diagram illustrates the process of formulating Pancasila during the BPUPKI Session. At the top center is a dark red rounded rectangle labeled "Sidang BPUPKI". Three red arrows originate from this central box. The left arrow, labeled "yang merumuskan" (the one who formulates), points to a small empty rectangular box above a larger table. The middle arrow points directly down to the top of the middle table. The right arrow points to a small empty rectangular box above a larger table. Each of these three tables has a red header labeled "Gagasan" (Ideas) and ten horizontal lines for writing.

Bagian 2

Isilah nama simbol dan bunyi
pancasila dibawah ini!

The diagram shows the Pancasila symbol, which consists of a white five-pointed star on a dark red shield, centered on a white background. The shield is surrounded by four red squares: top-left (white bull head), top-right (white tree), bottom-left (white rice stalks), and bottom-right (white cotton). Arrows point from the symbol to five boxes for labeling.
