

# LIFE IN THE SAVANNAH

**LOCATION.** Grasslands can be found on every \_\_\_\_\_ except Antarctica. The most famous grassland is the \_\_\_\_\_. **Savannah.** The African Savannah has got big areas of grassy land with very few \_\_\_\_\_.

**PLANTS.** The \_\_\_\_\_ is a very tall tree. A baobab tree can store lots of \_\_\_\_\_. Grass and \_\_\_\_\_ are the most important plants in the Savannah.

**RAINY SEASON.** There are two \_\_\_\_\_ in the Savannah, the rainy season and the \_\_\_\_\_ season. During the rainy season it rains a lot. It is rainy and \_\_\_\_\_. In this season, it is very easy to find water.

**DRY SEASON.** During the dry season it is very \_\_\_\_\_ and it doesn't rain. Many animals have to migrate according to \_\_\_\_\_ water. Some animals can find water in plants. The dry season can also bring many \_\_\_\_\_ to the grasslands.

**ANIMALS: ELEPHANTS.** We are mammals and herbivores. We live in tropical forests, savannahs and grasslands in Africa and \_\_\_\_\_. We eat grasses, branches, tree \_\_\_\_\_ and bushes. Our trunk is very important; We use our \_\_\_\_\_ to breath, eat, drink and communicate.

**ANIMALS: GAZELLES.** We are gazelles. We are mammals and we live in the Savannah in \_\_\_\_\_. We eat \_\_\_\_\_, grasses, seeds and leaves. We can run very \_\_\_\_\_.

**ANIMALS: LIONS.** We are lions. We are mammals and \_\_\_\_\_. We hunt big animals like zebras, \_\_\_\_\_ and gnus. We live with our family; we live in \_\_\_\_\_ with our cubs.

**ANIMALS: OSTRICHES.** We are ostriches. We are \_\_\_\_\_ and we are very good runners. We have got strong \_\_\_\_\_. We are the \_\_\_\_\_ bird in the world but we don't fly.

**ANIMALS: ZEBRAS.** We are zebras. We are mammals and \_\_\_\_\_. We eat grasses, \_\_\_\_\_, bushes, branches and tree bark. We have got stripes, they help us to \_\_\_\_\_ from predators.

**OTHER ANIMALS** in the savannah are: cheetah, buffalo, giraffe, gnu, crocodile and hyena.
