A2 READING COMPREHENSION – TRAVEL AND HOLIDAYS

READING TEXT

Last summer, Maria and her family went on holiday to Spain. They stayed in a small hotel near the beach for two weeks. Every morning, they woke up early to have breakfast on the terrace and then walked to the sea. The water was warm, and Maria loved swimming with her little brother. Sometimes they built sandcastles or played volleyball with other tourists. In the afternoon, they usually visited local markets or small villages nearby. Maria enjoyed trying Spanish food, especially paella and churros. In the evenings, her family liked to walk along the beach and watch the sunset together. One day, they took a bus to Barcelona to see famous places like the Sagrada Familia and Park Güell. Maria took many photos to remember the trip. When the holiday ended, she felt a bit sad but also happy because it was one of the best vacations of her life. She promised to return to Spain one day.
