

Accidentally in Love - Counting Crows

Listen to the song and complete its gaps with the **comparative** form of one of the adjectives from the box:

light ♦ fast ♦ bright ♦ close ♦ tight ♦ high

So she said what's the problem baby
What's the problem I don't know
Well maybe I'm in love (love)
Think about it every time
I think about it
Can't stop thinking 'bout it

How much longer will it take to cure this
Just to cure it cause I can't ignore it if it's love
(love)
Makes me want to turn around and face me
but I don't know nothing 'bout love

Come on, come on
Turn a little
Come on, come on
The world will follow after
Come on, come on
'Cause everybody's after love

So I said I'm a snowball running
Running down into the spring that's coming
all this love
Melting under blue skies
Belting out sunlight
Shimmering love

Well baby I surrender
To the strawberry ice cream
Never ever end of all this love
Well I didn't mean to do it
But there's no escaping your love

These lines of lightning
Mean we're never alone,
Never alone, no, no

Come on, come on
Move a little
Come on, come on
I want to hear you whisper
Come on, come on
Settle down inside my love
Come on, come on
Jump a little

Come on, come on
If you feel a little
Come on, come on
We were once upon a time in love
We're accidentally in love

Accidentally in love
Accidentally in love
Accidentally in love
Accidentally in love
Accidentally in love
Accidentally in love
Accidentally

I'm in love, I'm in love,
I'm in love, I'm in love,
I'm in love, I'm in love,
Accidentally

I'm in love, I'm in love,
I'm in love, I'm in love,
I'm in love, I'm in love,
Accidentally

Come on, come on
Spin a little
Come on, come on
And the world's a little

Come on, come on
Just get yourself inside her
Love I'm in love
