## Reading

6 Complete the messages with the verbs in brackets in the correct future form.

| Jamie                                                                                                                                                                                     |                                                                 |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------|
| What do you want to be when you're older, Jamie?                                                                                                                                          |                                                                 |
| I <sup>1</sup> _____ (be) a director, like my aunt. My aunt makes documentaries about sea animals. I sometimes go to work with her. It's exciting!                                        |                                                                 |
| Is that who you <sup>2</sup> _____ (make) your project about?                                                                                                                             |                                                                 |
|                                                                                                                                                                                           | I don't know yet. What about you?                               |
| I'm going to make my project about my older cousin. He's a diver. He lives next to the sea in Malta.                                                                                      |                                                                 |
|                                                                                                                                                                                           | Cool! <sup>3</sup> _____ (put) photos in your project?          |
| Yes, I am. Photos look better, so I <sup>4</sup> _____ (not / draw) pictures. I've got a nice photo of my cousin under the water. He goes scuba diving in the sea to look for shipwrecks. |                                                                 |
|                                                                                                                                                                                           | That sounds fun! I won't make my project about a family member. |
| I think <sup>5</sup> _____ (I / make) mine about someone famous from the past.                                                                                                            |                                                                 |
| Good idea! <sup>6</sup> _____ (I / help) you choose someone.                                                                                                                              |                                                                 |
