

"Fix You" by Coldplay

When you try _____, but you don't succeed

When you get what you want but not _____

When you feel so tired, but you can't sleep

Stuck in reverse

And the tears come streaming _____

When you lose something, you can't replace

When you _____, but it goes to waste

Could it be worse?

[Chorus] Lights will guide _____

And ignite your bones

And _____ to fix you

And high up above or _____

When you're too in love to let it go

But if you never try, you'll _____

Just what you're worth

[Chorus]

Tears stream down _____

When you lose something, you cannot replace

Tears stream down your face and I

Tears stream down your face

I promise you, I will learn from _____

Tears stream down your face and I

[Chorus]
