

# Time

A clock tells us time. Time is very precious for us. If we lose the time, we lose everything.

In the clock shown, the hour hand is at 3 and the minute hand is at 12. So, we can say that the time is 3 o'clock or 3:00.

Given below is the daily routine of Romy. Fill in the blanks with the times shown here.

1. He gets up at _____
