Dear Granny,

This weekend there was a big mountain biking race near our village. It was more exciting than the one last year, and there were more people, too. The winner was faster and braver than everyone else. After the race, we went to a modern café. It was cheaper and cleaner than the old one near the castle.

Love, Daisy

1. Where was the race?

a) In the **village**

b) **Near** the village

c) At the **beach**

2. How was the race?

a) **More exciting** than last year

b) **More boring** than last year
