Song Activity

Task: Listen & Click the correct words

--On a **dark / bright** desert highway cool wind in my hair
Warm smell of colitis rising up through the air
Up ahead in the distance I saw a **shimmering/ glowing** light
My head grew heavy and my sight grew dim
I had to stop for the night
--There she stood in the doorway I heard the mission **song / bell**
And I was thinking to myself "This could be Heaven
or this could be Hell"
Then she lit up a **lantern / candle** and she showed me the way
There were voices down the **hallway / corridor** I thought I heard them say

CHORUS "Welcome to the Hotel California
Such a lovely place (Such a lovely place) Such a lovely face
Plenty of **room / time** at the Hotel California
Any time of year (Any time of year)

--Her mind is Tiffany-twisted she got the Mercedes Benz, uh
She got a lot of pretty, pretty **men / boys** that she calls friends
How they dance in the **courtyard /garden** sweet summer sweat
Some dance to remember, some dance to forget
--So I called up the **Waiter / Captain** "Please bring me my wine"
He said, "We haven't had that spirit here since 1969"
And still those **voices / noises** are calling from far away
Wake you up in the middle of the night just to hear them say

CHORUS "Welcome to the Hotel California
Such a lovely place (Such a lovely place) Such a lovely face
They living it **up / down** at the Hotel California
What a nice **shock / surprise** (What a nice surprise) Bring your alibis"

--Mirrors on the **floor / ceiling**,
the pink champagne on ice, and she said
"We are all just **trapped in / prisoners** here of our own device"
And in the master's chambers they gathered for the feast
They stab it with their steely **knives / forks**
but they just can't kill the beast
--Last thing I remember, I was running for the **door / exit**
I had to find the passage back to the place I was before
"Relax," said the night man "We are programmed to receive
You can check out any time you like but you can never **go / leave**"
