Exercise 9. Read the passage. Circle A, B or C to answer each question.

Part A

More than 80% of American high school students work at part-time jobs in the evenings, on weekends or in summer. These part-time jobs bring teenagers great **advantages**.

One of the benefits of the work is the students can learn the skills that will be useful for the rest of their lives. When they work, they have to manage both the job and schoolwork. To be able to do so, they must be very **organized** and able to keep a sensible schedule. They also learn to cope with the job stress apart from the stress of the schoolwork. Some of the most stressful jobs include teaching, nursing, and police work. These skills help prepare teenagers for their later careers. High school students who work are more likely to succeed as adults than people who enter the job market at a later age with no work experience.

Teenagers want a lot of expensive things: clothes, mp3 players, trips with their friends, etc. Not all parents can afford them. And even if they can, the teens might not really appreciate that money because they did not earn it. When teenagers make money for themselves, they know it's true and are less likely to spend it foolishly.

1.Which of the following is a good title for the passage?

A. Why Teenagers Should Work B. Advantages and Disadvantages of Part-time Jobs

C. Part-Time Jobs Cause Stress D. The Best Jobs for Teenagers

2. According to the passage, what is NOT an effect of part-time jobs?

A. Teenagers become organized. B. Teenagers become stressed.

C. Teenagers are more likely to have successful careers. D. Teenagers spend all their money.

3. According to the passage, when teenagers have jobs, they are more likely to _____.

A. spend foolishly B. want expensive things C. appreciate money D. avoid working later in life

4. According to the passage, which of the following is TRUE?

A. Only some US students do part-time jobs. B. US students suffer part-time job stress.

C. Part-time jobs are somehow good for teenagers. D. US students don't need part-time jobs.

5. The word **"advantages"** in the passage is closest in meaning to _____.

A. Problems B. Benefits C. Mistakes D. Costs

6.The word **"organized"** in the passage is opposite in meaning to _____.

A. Neat B. Clean C. Disordered D. Efficient

Part B

My house is in the suburb of the big city, at the edge of a small forest. I do not like living in the city because it is very **noisy**. Next to the house, there is a garage for my cars. I get off my car and I can see a beautiful juicy green grass around my house. The kitchen is the place where I spend most of my time because I absolutely love to cook. In the kitchen, I must put all chemicals and drugs in the locked cupboards. Children may drink or eat these things because they look like soft drinks or candy. I never let my children play in the kitchen because the kitchen is a **dangerous** place. I always have to make sure children do not play with matches because fire destroys homes and injures children if someone plays with matches. My bedroom is a beautiful and light place. The furniture is made of pine with yellow and brown material. My favorite place in the bedroom is a wardrobe. There are plenty of dresses and suits and smart shoes in different colors. When I look out the window from my bedroom, I can see a beautiful view of

glittering lake. Next to my bedroom is a kingdom of my little daughter. She is six years old and she loves Barbie very much so her room is pink like a candy.

1. Where is the writer's house?

A. in the forest B. in the big city

C. in the suburb of the city D. in the suburb of a small forest

2. Where does the writer put all chemical and drugs?

A. in the locked cupboard B. on the shelf

C. in the bathroom D. in an unlocked cupboard

3. What is the color of her daughter's room?

A. yellow B. pink C. brown D. red

4. Where does she spend most of her time?

A. in her bedroom B. in her daughter's room C. in the kitchen D. in the living room

5. The word **"noisy"** in the passage is closest in meaning to _____.

A. Quiet B. Loud C. Peaceful D. Calm

6. The word **"dangerous"** in the passage is opposite in meaning to _____.

A. Safe B. Risky C. Harmful D. Hazardous

Exercise 10. Four phrases/sentences have been removed from the text below. For each question, mark the letter A, B, C, or D on your answer sheet to indicate the correct option that best fits each of the numbered blanks.

Part A: Leisure Time Activities

Leisure time is an essential part of our daily lives, allowing us to unwind and enjoy activities we love. People often spend their free time engaging in hobbies such as reading, painting, or gardening. Some choose physical activities like hiking or cycling, which (1) _____. These activities not only help people stay active but also provide them with a chance to connect with nature.

Spending time with friends and family is another popular way to spend leisure time. Whether it's having a picnic or playing board games, (2) _____. It helps strengthen relationships and creates lasting memories. Many people also like to spend their leisure time watching movies or reading books, which (3) _____. These quiet activities allow them to relax and escape from the pressures of everyday life.

In conclusion, leisure activities are vital as they help maintain a balanced and healthy lifestyle. By finding activities that we enjoy, (4) _____.

Options:

A. can boost both physical and mental health
B. spending time with loved ones brings joy
C. allow people to immerse themselves in new worlds
D. we can reduce stress and find happiness

Questions:

Question 1. _____Question 2. _____Question 3. _____Question 4. _____

Part B. Life in the Countryside

Life in the countryside offers a peaceful and simple lifestyle that many people cherish. Surrounded by nature and fresh air, people living in rural areas enjoy a slower pace of life, which (1) _____. This allows them to focus more on their families and enjoy quality time together.

In the countryside, people often engage in farming, gardening, or raising animals. These activities (2) _____, providing both food and a sense of accomplishment. Additionally, the rural landscape provides beautiful sceneries, with vast fields and clear skies, which (3) _____. It's no wonder that many city dwellers choose to visit these areas for a short break from the busy urban life.

LIVEWORKSHEETS

Despite the many benefits, life in the countryside can be challenging. Access to healthcare and education is often limited, and (4) _____. However, for those who value simplicity and a strong sense of community, these challenges are worth it.

Options:

A. offer opportunities for self-sufficiency and healthy living
B. can be a refreshing escape for city residents
C. helps people appreciate the little things in life
D. modern facilities and services are sometimes far away

Questions:

Question 1. _____Question 2. _____Question 3. _____Question 4. _____

Part C: Life of Teenagers

Teenagers are at a unique stage in their lives, experiencing significant physical, emotional, and social changes. During this time, many young people engage in various activities that shape their identities. One popular activity among teenagers is socializing with friends, which (1) _____. This interaction helps them build social skills and confidence, essential for their development.

In addition to social activities, many teenagers are involved in extracurricular pursuits such as sports, music, or volunteering. These activities (2) _____, allowing them to explore their interests and develop new skills. Participating in team sports, for example, teaches important values like teamwork and perseverance.

However, balancing academics with leisure activities can be challenging for teenagers. The pressure to perform well in school often leads to stress, and (3) _____. It is crucial for teenagers to find ways to manage their time effectively, ensuring they have a well-rounded life that includes both study and relaxation.

In conclusion, the teenage years are formative and filled with opportunities for growth. By engaging in a variety of activities, (4) _____.

Options:

A. can enhance personal growth and fulfillment

B. social interactions contribute to happiness

C. they must learn to handle various responsibilities

D. many teenagers develop lifelong friendships
