## READING

## My summer holiday

Every summer, I leave Athens and travel to my aunt's house in a village in Crete. It's a big, old house, with four bedrooms, a bathroom, a living room and a big kitchen. We always have breakfast, lunch and dinner outside because it's hot in August in Crete. I don't drive, but I love hiking and sometimes my aunt and I cycle to the beach and go swimming in the sea. My aunt's garden has orange trees and she grows a lot of fruit and vegetables, so we make different dishes with delicious fresh food every day. We buy eggs, milk and bread from the farmers' market at the weekend and we usually go to the cinema on Saturday night. The cinema isn't inside – it's outside. It's always very noisy because people watch the film and they eat snacks and chat at the same time, but we love it!
