

TIP

A compound word is made up of two or more words.

shoe + laces = shoelaces

Some compound words have a hyphen between the word.

forty + six = forty-six

self + control = self-control

A helpful rule: When dividing compound words into syllables, first divide the compound words between the words that form them.

finger • nail blue • green

Spelling and Writing

Proofreading

The following story has eleven mistakes. Fix the mistakes by using the proofreading marks. Then, write the misspelled **list words** correctly on the lines.

Our canoe trip began with a bang We watched the splash of the blugrean water make raynbows in the sunshine. When we saw the huge rock underwater it was too late. What a crash It was an instant shipwreck. Our corn-bred and my paprebak book fell into the water. My kneekap was scraped and one fingernail was torn. What a mess However we still had enough food to make some pancakes.
