The Little Prince: Chapter 11

I. Match the Words with Their Definitions

simplify	to tell someone they must do something
subject	to make something easier or less complex
order	a person who is ruled by a king or queen
rule	to do what someone in authority tells you to
obey	to have power and control over a place

II. Fill in the Gaps

Word Bank: **forbid, subjects, order, rule, obey**

1. The king wanted to _____ the little prince to yawn.

2. For kings, all men are _____.

3. "It's against the etiquette to yawn. I _____ you to do it," said the king.

4. The king wanted to _____ over everything.

LIVEWORKSHEETS

5. "The stars _____ me," said the king.

II. The King's Planet: Present Perfect

The King insists on being the ideal leader. But what has he done for his planet? Write sentences using Present Perfect. Beware! Some things may NOT be true!

Example: make / many good laws → He **has made** many good laws.

1. clean / his whole planet

He _____.

2. give / many reasonable orders to his subjects

He _____.

3. visit / all the stars in the universe

He _____.

4. help / the little prince to feel comfortable

He _____.

LIVEWORKSHEETS
