Spooky, scary skeletons

Send shivers ..... your spine

Shrieking skulls will ..... your soul

Seal your doom tonight

Speak with .....a screech

You'll shake and shudder in .....

When you ..... these zombies shriek

We're sorry, skeletons, you're so misunderstood

You only ..... to socialize (but I don't think we should)

Shout startling, shrilly screams

They'll sneak ..... their sarcophagus

And just won't leave you be

Spirits supernatural are shy, what's all the fuss?

But bags of bones ..... so unsafe (it's semi-serious)

Are silly all the .....

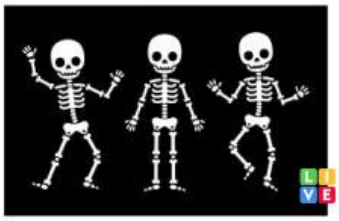

They'll smile and scrabble slowly by

And ..... you so insane

Sticks and stones will break your bones

They ..... let you snooze

Will .....you with a boo!
