

Name _____

What is BULLYING?

Directions: Cut out the examples at the bottom of the page. Read, sort, and glue the examples into the correct column.

Bullying	NOT Bullying

★ BONUS: Make a list of more ways to be safe on the back of this paper.

teasing someone every day	offering to help someone
leaving someone out of the group	telling mean rumors about someone
sharing your toys with someone	including anyone who wants to play
giving a compliment to someone	listening to someone who is sad
taking someone's things before asking	calling someone mean names
