I **am** / **have** a dream, a song to **sing** /**ring**

To help me **cope** / **hope**, with anything

If you **sea** / **see** the wonder, of a fairy **tale** / **tail**

You can take the future, even if you **sail** / **fail**

I believe in angels

Something good in everything I **see** / **meet**

I believe in angels

When I **know** / **now** the time is right for me

I'll cross the **stream** / **dream**, I **am** / **have** a dream

I **am** / **have** a dream, a fantasy

To **help** / **hop** me through, reality

And my destination, **make** / **makes** it worth the while

Pushin' through the darkness, still another mile

I believe in angels

Something good in everything I see

I believe in angels

When I know the time is right for me

I'll cross the **stream** / **dream**, I **am** / **have** a dream

I'll cross the **stream** / **dream**, I **am** / **have** a dream

I **am** / **have** a dream, a song to **sing** / **sign**

To help me **cope** / **hope**, with anything

If you see the wonder, of a fairy tale

You can take the future, even if you fail

I believe in angels

Something good in everything I see

I believe in angels

When I **know** / **now** the time is right for me
