

# VIDEO KILLED THE RADIO STAR SONG ACTIVITY

**Task one:** Question - How did people listen to music before the invention of television. How did this change when cable TV came along?

**Task Two:** Listen & fill in the blanks using the words in the word bank

I heard you on the wireless back in '52  
Lying awake, intently tuning in on you  
If I was **old / young**,  
it didn't stop you coming through Oh-a, oh-a  
They took the credit  
for your second **symphony / orchestra**  
Rewritten by machine on new **technology / science**  
And now I understand the problems you could see  
Oh-a, oh-a I met your children  
Oh-a, oh-a What did you tell them?

**CHORUS** Video /Television killed the radio star  
Video killed the radio star  
Pictures came and broke your **soul / heart** Oh-a-a-a-oh  
And now we meet in an abandoned **room / studio** (Oh-a)

We hear the playback and  
it seems **many years / so long ago**  
And you **forget / remember** the jingles used to go  
Oh-a, oh-a You were the first one  
Oh-a, oh-a You were the last one

**CHORUS** Video killed the concert / radio star  
Video killed the radio star  
In my mind and in my **car / room**  
We can't rewind, we've gone too far Oh-a-a-a-oh

**CHORUS** Video finished / killed the radio star  
Video killed the radio star  
In my **mind / heart** and in my car  
We can't rewind, we've gone too far  
Pictures / Images came and broke your heart  
Put the blame on VCR
