

MOVIE MAGIC

Read the text and choose the correct word.

Many people love going to the cinema because it's more than just watching a film — it's an experience. (1) _____, it's a great way to spend time with friends. (2) _____ enjoying the movie itself, people like the atmosphere, the popcorn, and the big screen.

Some people prefer watching movies at home, (3) _____ others think the cinema is more exciting. Streaming platforms have made films easier to access; (4) _____, they have also changed the way people watch them. (5) _____ the fact that you can see almost any film online, some still miss the feeling of sitting in a dark theater with a crowd.

Movies can teach us a lot. (6) _____, they allow us to experience emotions we don't usually feel in daily life. (7) _____, they can show different cultures and ideas. (8) _____, they sometimes inspire people to travel or try something new.

(9) _____ films are a form of entertainment, they can be very powerful. They make us think, dream, and even change our opinions. Many films are enjoyable, but some leave a deep impression. (10) _____, every movie offers something unique — a story, a message, or just a moment of escape.

Watching movies is one of the world's favorite pastimes. People of all ages enjoy them, and critics do (11) _____. Different genres attract different audiences: thrillers, comedies, and dramas each have their fans. (12) _____ some people look for action and adventure, others prefer romance or animation.
