There are many types of homes in Montreal. My house is in a block of flats, but it isn't an ordinary block of flats. The name of the buildingis Habitat 67 and it has got over 140 homes. My home is amazing. It is big and modern. Inside there is a living room, two bedrooms, a big kitchen and two bathrooms. Outside there is a balcony and we've also got a garden with lots of flowers and small trees on our roof.

My favourite room in my house is my bedroom. There is a bed, a desk, a chair, a wardrobe and a bookcase. There isn't a balcony outside my bedroom, but there is an amazing view of Montreal from my window.

Dear Stella,

Thanks for letting me know about your hometown.

Let me tell you about my hometown, Burano. Burano is an island in the north of Italy, about 7 km from Venice. You can take a 40-minute waterbus ride from Venice. It is famous for its colorful houses. You can take great photos wherever you are on the island. Burano is also famous for its seafood. A lot of restaurants serve great, fresh seafood at cheap prices. Burano is very quiet and peaceful. About three thousand people live here. It is better to visit Burano in summer because it is very cold in winter. Please write back soon. I want to know about your family.

Your friend,

Ricardo

My name is Carla and this is a photo of my family. In the photo, we are in front of our house. It's an old house with a beautiful garden behind it. There are five rooms in my house: a living room, a kitchen, a bathroom and two bedrooms. My bedroom has got a view of the garden. My cousin Melanie is in the photo with us. She is the tall and thin girl next to me. Melanie lives in a flat on the tenth floor. It's small and it has got only three rooms. It's near my house, so we do a lot of things together. We read books, listen to music, play computer games or draw pictures. Melanie can draw very well. She has got a dog. We love walking the dog in the park at the weekend. I would like to have a cat or a dog but I can't because my dad doesn't like pets.
