Thanksgiving Day – History and Traditions

Thanksgiving is one of the most important holidays in the United States. It is celebrated every year **on the fourth Thursday of November** and is a time when families gather to **share a meal and give thanks** for all the good things in their lives.

The story of Thanksgiving goes back to **1621**, when a group of English settlers, known as the Pilgrims, celebrated their first successful **harvest** in the New World. After a very difficult first winter, they were helped by the Native Americans, who taught them how to grow **crops such as corn, pumpkins, and beans**.

To thank them and to celebrate the harvest, the Pilgrims invited their Native American friends to a three-day feast. This event is remembered as the **first Thanksgiving**.

Today, Thanksgiving is a national holiday that symbolizes **gratitude, unity, and generosity**. Families usually prepare a large traditional dinner that includes **roast turkey, stuffing, mashed potatoes, cranberry sauce, and pumpkin pie**.

Many people also watch parades or football games, and some even volunteer to help those in need.

Although Thanksgiving has religious roots, it has become a universal celebration of thankfulness — a time to reflect on what really matters: family, friendship, and kindness.

My Thanksgiving Plan

Write about how you would like to celebrate Thanksgiving if you were in the USA. Use future forms (be going to / will), sequencing words, and some expressions of gratitude.

Example Starter:

This year I'm going to celebrate Thanksgiving in a special way. First, I'll decorate the table with candles, autumn leaves, and a pumpkin centerpiece. Then I'm going to help my family cook a traditional dinner with roast turkey and sweet potatoes. After we eat, we'll share what we are thankful for and take some family photos. In the evening, we might watch a movie together and enjoy pumpkin pie. I think it will be a warm and meaningful day full of love and gratitude.

Now You Write:

This year I'm going to _____
Then I will _____
After that, _____
Finally, _____
I feel thankful for _____
