

Sign and Symbol!

We come across many signs and symbols at the side of the road. Some signs tell us what to do while some tell us the location of a place. The sign 'No Parking' tells us that we cannot park a vehicle in a particular place.

Match the following :

1 No smoking

2 Danger

3 Horn prohibited

4 Stop

5 Petrol Pump

a

b

c

d

e

KNOW MORE

A seat belt, sometimes called a safety belt, is a belt designed to hold a person in place in a moving vehicle. It was invented by Nils Bohlin. The seat belt saves many lives every year.
