KNOW MORE

Some interesting inventions happened just by accident:

Potato Chips : George Crum, a chef invented potato chips in 1853 when he made extra thin French fries for a customer.

Teabag : Thomas Sullivan was a tea merchant who used to package his tea in small silk bags as samples. His customers started dipping the bags into boiling water to make tea and the teabag was born.

Sandwich : John Montague, the 4th Earl of Sandwich, who was in a hurry, asked his cook to put some meat between two slices of bread and the sandwich was invented.
