Life's pretty good. I can't really complain. I live in a big house with my parents. We get on well most of the time. I like school. It's interesting and I really enjoy going most days. Mrs Jackson, my Science teacher, is really funny. She makes me laugh and it's always fun in her lessons. In my spare time I go go-karting. It's a really exciting hobby. I won a trophy last week. It was pretty small, but the size isn't important. It says 'Most Improved Driver' on it, so I'm happy with it. I'm not sure my mum's so keen on my hobby. She's scared I'll have an accident. I tell her not to worry and that one day I'll be a world champion.
