Aidan Jackson is a teenager from the UK. He has an online gaming friend called Dia Lathora, who lives in the USA. They have a lot in common and get on well. They **(A1)** ... a game one day when Aidan began to have a seizure (*припадок*). Dia heard Aidan making noises that didn't sound right to her. When she asked if he was all right, Aidan didn't reply. They weren't using a webcam so she couldn't see him. Dia immediately started to look up the emergency phone number for the UK. Aidan's parents were completely shocked when two police cars **(A2)** ... at their home. Aidan **(A3)** ... to hospital and doctors were able to help him. 'We're extremely thankful for what Dia did,' the boy's mother said. 'I **(A4)** ... to her and expressed our thanks. She is just glad she could help.'
