

Chemist: Hello, can I help?

Customer: Yes, my wife sent me here. 1. _____ for a
2. _____ ... and I can't stop 3. _____.
4. _____.

Chemist: Do you have a headache too?

Customer: Not really, no.

Chemist: Well, we have this 5. _____. And these 6. _____.

Customer: Which is better?

Chemist: They're 7. _____. The syrup is 8. _____.

Customer: Oh, well ... I'll take the lozenges, then. How many do I take?

Chemist: Just one.

Customer: Sorry, I'm sorry. Er, 9. _____ should I take it?

Chemist: Just one 10. _____. Take it
11. _____. Are you 12. _____ any
medicine?

Customer: No.

Chemist: Then you'll be fine with this.

Customer: Can I get some 13. _____ too?

Chemist: I'm afraid you need a 14. _____ for that.

Customer: Ah.

Chemist: You know, you should really 15. _____ if that cough
continues.

Customer: Thanks. I know.

Chemist: 16. _____?

Customer: No, thanks.

Chemist: That'll be £17. _____ then, please.
