

# Do you like studying?

## 1. Label the pictures.

vocational school

primary school

online courses

college

self-directed study

university

graduation

high school

## 2. Put the lines into right order.

— Yes, it's good. The professors seem very nice.

— Nice to meet you, Maria. I'm Leo. What are you studying?

— You too Maria. See you around!

— No, I live in a house near the college. What about you?

— I can imagine! Well, it was nice to talk to you, Leo. I have to go.

— Hi! Are you a new student here?

— I'm in the Power Engineering department. What about you?

— Yeah, most of them are. So, do you live in a campus?

— Oh, you are a sophomore! This is my first year. I'm a freshman.

— Oh, hello. Yes, I am. My name is Maria.

— I live in a dorm. It's a little noisy, but it's fun.

— I'm studying Computer Science. It's my second year.

— That's cool. Do you like Power Engineering department so far?
