Takeaway around the world

The world is full of different cuisines, and each country has its own special food. In this article, we will explore some of the most popular takeaways from different parts of the world.

1. Italy: Pizza

Pizza is a popular Italian food that is made with a round base of dough, topped with tomato sauce, cheese, and various toppings. It is often served with a side of bread and a glass of wine.

2. China: Dim Sum

Dim sum is a type of Chinese food that consists of small, bite-sized portions of food, such as dumplings, buns, and rice rolls. It is often served with tea.

3. India: Curry

Curry is a popular Indian food that consists of a variety of dishes, including curries, chutneys, and breads. It is often served with rice or naan.

4. Mexico: Tacos

Tacos are a popular Mexican food that consist of a small, round tortilla filled with meat, cheese, and various toppings. They are often served with a side of salsa and guacamole.
