Centro Costa Salguero

1- Read this description.

The Centro Costa Salguero is a spacious and modern events complex located along the scenic Río de la Plata, in the lively Palermo district of Buenos Aires. It was opened in the 1990s and has grown into one of the largest and most popular venues in the city for international exhibitions, conventions, and corporate events. The complex offers over 20,000 square meters of covered and adaptable space, as well as wide outdoor areas that provide spectacular river views. Thanks to its excellent location, good transport connections, and ample parking, the venue is convenient and attractive for both local and foreign visitors. With its bright halls, modern facilities, and versatile design, Costa Salguero remains one of the most dynamic and flexible places to host professional events in Buenos Aires' vibrant cultural and business scene.
