Read the following passage and answer each of the questions.

Choosing a career is an important life decision, yet it's very difficult to find something you really enjoy doing. Take a look at some personality types below and see which jobs might be right for you.

• *Realistic:* Realistic people like to work with things they can see or touch. They generally like to work outside and are good with tools, machines, plants, and animals. Job matches: carpenter, chef, nurse, pilot.

• *Investigative:* People of this personality type value ideas and are strong at tasks that allow them to investigate facts and figure out complex problems. They are better at individual work like research and study. Job matches: computer programmer, historian, psychologist, surgeon.

• *Artistic:* Artists are creative people. They don't work well with structure and rules, and thrive instead in environments that allow communication and a free flow of ideas. They enjoy tasks that allow them to express themselves and mix with people. Job matches: actor, art therapist, graphic designer, writer.

• *Social:* Social personalities love to work with people. They get the most satisfaction out of teaching and helping others, and are driven to serve the community as opposed to making money. Job matches: coach, counselor, social worker, teacher.

• *Enterprising:* Many great leaders and business people have enterprising personalities. These are persuasive people who are good at making decisions and leading teams. They tend to value money, power, and status, and will work

LIVEWORKSHEETS

toward achieving them. Job matches: business owner, event manager, lawyer, salesperson.

• *Conventional:* Conventional people appreciate rules and regulations, and like having structure to their lives. They are logical thinkers and have a lot of self-control. Job matches: accountant, analyst, editor, librarian.
