How to Make Sugar Cookies

use an electric mixer to mix them until smooth and fluffy.

Finally, serve the cookies warm and enjoy!

Place the balls on a cookie sheet and press them gently into flat discs.

Bake the cookies at 325°F for 15 minutes.

add sugar and butter into a large bowl.

Add sprinkles on top if you like.

add the flour and mix again until combined.

use your hands to roll small balls of dough
