My friend Ben and I just returned from a trip to Kyoto.

We were so ¹  to see this beautiful city, and we

weren't ² . I'm ³  in architecture, so

I wanted to see the traditional buildings. There are also

many beautiful gardens, and the use of fountains and

other water features has a ⁴  effect—you can't

feel ⁵  with the calming sound of water. We

were very ⁶  at the end of the day because we

walked so much. Fortunately, our hotel was nearby.
