

About a Movie

My parents just took me to see Frozen. This cartoon movie was made in 2013. It is about two princesses. One is Elsa and she has magical powers. She uses them to keep the kingdom cold. It is always winter there.

Elsa's sister is Anna. She wants to break the icy spell. So Anna joins up with a mountain man named Kristoff, his reindeer Sven, and a snowman called Olaf. They go on a long, dangerous journey to save the land. They face scary wolves, a snow monster, and a terrible storm.

I think that this movie is perfect for kids of all ages. It is both sad and happy and has great characters. Plus, I really liked the ending. I believe that you will love this thrilling movie!
