READING EXERCISE

Kim Kardashian and Her Famous Family

Kim Kardashian is a well-known American media personality, businesswoman, and influencer. She became famous through reality television and social media. Kim was born in Los Angeles, California, and she is part of one of the most talked-about families in the world.

Kim has several siblings. Her older sister is Kourtney, and her younger sister is Khloé. She also has two half-sisters, Kendall and Kylie Jenner, from her mother's second marriage. Her brother Rob is the only son in the family. All of them are involved in television, fashion, or beauty businesses, and each of them has millions of followers on social media platforms.

Kim's mother, Kris Jenner, is the manager of the family and helps organize their business projects. Kim's father, Robert Kardashian, was a well-known lawyer. He passed away in 2003, but he is still remembered for his work and his role in the family.

Kim has four children with her ex-husband, the famous rapper Kanye West. Their names are North, Saint, Chicago, and Psalm. Kim is very proud of her children and spends a lot of time with them. She often shares pictures and special moments from their lives on her social media accounts.

Kim's family is known for being close and supportive of each other. They appear together on TV, attend important events, and work on business projects as a team. Whether it's fashion, makeup, or television, the Kardashian-Jenner family continues to influence millions of people around the world.

Read this text and decide if they are True (T) or false (F).

1. Kim Kardashian has both full siblings and half-siblings who are also famous.

2. Kim's father is still alive and works as a lawyer.
3. All of Kim's children were born before she married Kanye West.
4. Kris Jenner helps manage her children's business activities.
5. The Kardashian-Jenner family often works together on different projects.
6. Kim usually avoids sharing details about her personal life online.
