Read the text and answer the questions (multiple choice).

Emma's Weekend

Emma works in a small bookstore. She loves her job because she likes reading and talking to customers. On weekdays she usually starts work at 9:00 a.m. and finishes at 5:00 p.m.

Today is Saturday, and she isn't working. She is at home, drinking coffee and planning her weekend. This afternoon she will visit her grandmother, who lives in the countryside. Emma hasn't seen her for two months, so she is very excited. Tomorrow, if the weather is nice, she will go hiking with her best friend. If it rains, they will stay home and watch movies.

Last weekend she went to a concert with her brother. The music was great, but Emma lost her jacket after the show. Her brother helped her look for it, but they didn't find it. Emma hopes this weekend will be better.
