

NEVER ENOUGH

I'm _____ to hold my breath
Let it stay this _____
Can't let this moment end
You set off a _____ in me
Getting louder now
Can you hear it echoing?
Take my _____
Will you share this with me?
'Cause darling, without you
All the _____ of a thousand spotlights
All the stars we steal from the night sky
Will never be enough
Never be enough
Towers of _____ are still too little
These hands could hold the world but it'll
Never be enough
Never be enough
For me
Never, never
Never, never

All the shine of a thousand spotlights
All the stars we steal from the night sky
Will _____ be enough
Never be enough
Towers of gold are still too _____
These hands could hold the world but it'll
Never be enough
Never be enough
For me
Never, never
Never, never
Never, for me
For me
Never enough
Never, never
Never enough
Never, never
Never enough
For me
For me
