Reading Text

My name is Laura, and I live with my family in a small town. I usually wake up at 6:30 a.m. and I always eat breakfast with my parents. After breakfast, I walk to school, because it is close to my house. My classes start at 8:00 a.m., and I study different subjects like math, English, and science.

During the day, I often talk with my friends during the breaks. I sometimes eat lunch at school, but I usually go home to eat with my mom. In the afternoon, I do my homework and help my little brother with his reading. In the evening, my family and I watch TV together, and we always have dinner at 7:30 p.m. I usually go to bed at around 10:00 p.m. because I need to wake up early the next day.
