Amin is a regular user of Spotify, a popular music streaming platform. He listens to music almost every day because it lifts his mood and helps him stay focused. He enjoys Spotify because it is easy to use, and he can quickly search for songs, albums and artists. Spotify offers (21) \_\_\_\_\_ of songs of different genres from all over the world.

There are two versions of Spotify. One version includes (22) \_\_\_\_\_ and only a few song skips. However, Amin is planning to try Spotify Premium because it is ads free, has unlimited skips and the ability to download songs for (23) \_\_\_\_\_ listening. He also mentioned that Spotify offers different (24) \_\_\_\_\_, including student, individual, duo and family plans. The student plan is (25) \_\_\_\_\_ and suitable for users like him.

One of Amin's favourite features is "Discover Weekly", which gives him new songs every Monday. He also enjoys "Daily Mix", where he gets playlists based on his music (26) \_\_\_\_\_. Amin's favourite artists include Ed Sheeran, BTS and Taylor Swift. He creates his own playlists for studying, working out and relaxing and Spotify also allows him to (27) \_\_\_\_\_ them with his friends.

He uses Spotify on different (28) \_\_\_\_\_, including his phone, laptop, tablet and smart TV. For Amin, Spotify is better than buying CDs because it is more (29) \_\_\_\_\_ and saves time. The only thing he doesn't like is the number of ads on the free version, but he understands that it (30) \_\_\_\_\_ users to use the app at no cost.

In conclusion, Amin recommends Spotify for anyone who enjoys music anytime, anywhere.
