My Holiday to Bali

4. Read the text "My Holiday to Bali" carefully.

Last December, my family and I spent our school holiday in Bali. It was my first time visiting the island, and I was very excited. We stayed at a small hotel near Kuta Beach for three days. The staff were friendly and helpful, and the place was clean and comfortable.

On the first day, we went to Kuta Beach in the morning. The weather was sunny, and many people were surfing and swimming. I played with my little sister, built a sandcastle, and collected shells. In the afternoon, we visited Tanah Lot Temple and watched the beautiful sunset by the sea.

The next day, we went to Ubud and visited the Monkey Forest. The monkeys were funny and friendly, but one of them almost took my snack! We also tried some delicious Balinese food like grilled fish and rice. On the last day, we relaxed at the hotel, swam in the pool, and joined a small family quiz before flying back home.

Our trip to Bali was short but unforgettable. I enjoyed every moment and learned many new things about Balinese culture and nature. I hope I can visit Bali again one day.
