**Task 3: Read the text about Tom's family and write True (T) or False (F).**

Hi! I'm Tom. Let me tell you about my family.

My father has short brown hair, a small moustache, and brown eyes. He is very patient and generous, but sometimes he can be strict when he teaches me. He enjoys reading history books and cycling on weekends.

My mother has long curly hair and black eyes. She is cheerful, hard-working, and loves experimenting with new recipes. She often tells funny stories, but she can be impatient when she is busy.

My older sister, Anna, has blonde hair and black eyes. She is confident, polite, and very honest. She enjoys playing the piano, drawing, and helping neighbors. Sometimes she argues with me, but she always cares for our family.

My little brother, Ben, has curly brown hair and a small mole on his cheek. He is friendly, sometimes shy, but very cheerful. He loves playing football, riding his bicycle, and making everyone laugh.

I love my family. We often play board games, watch movies, or go for a walk together.
