

**Look at each number.**

**Divide the number by 2.**

**Remember: dividing by 2 means sharing equally into 2 groups.**

**Solve each question and write your answer clearly.**

- **What is  $16 \div 2$ ?**

- **What is  $18 \div 2$ ?**

- **What is  $20 \div 2$ ?**

- **What is  $88 \div 2$ ?**

- **What is  $90 \div 2$ ?**

- **What is  $92 \div 2$ ?**
