## Part 7: Reading Comprehension

*Read the following passage and select the best answer for each question.*

**Questions 37-40 refer to the following memo.**

To all housekeeping staff,

There have been a lot of complaints recently from our guests. Many have called the front desk angry about the state of their rooms. They said their bathrooms were not stocked with clean bath towels, rolls of toilet paper, or new toothbrushes. Others couldn't understand why their beds weren't made or didn't have clean sheets. This is not satisfactory work and makes the hotel look very bad. Things need to be changed, so we will be watching everyone this week. If we receive any more complaints about housekeeping, some people will lose their jobs. We know most of you take your work seriously and do a good job. We would hate for the actions of a few people to affect the entire staff, but we have to do what is necessary for the hotel and our guests.

Thank you for your attention to this very important matter.
