

Final Test

Proficiency level - C1

Follow our favourite Avenger's missions or tasks and save the world or your term!-

Whatever it takes!

Avengers assemble!!

A) Read the following passage and answer all the questions about the Avengers final battle

Endgame: The Final Battle

Back after the Blip, Lang has the idea of travelling in time. The Avengers join all their forces and minds to achieve the goal. They put differences aside in order to work together and set things right. Along the way, the Avengers realize that sacrifices must be made, so they prepare for the ultimate final showdown with Thanos. This one will result in the heroes fighting the biggest battle they have ever faced. Avengers need to travel in time to find the gems and made another gauntlet.

When everyone has returned to Earth, Stark, Rocket, and Banner set out to craft a gauntlet to manipulate the stones. Banner volunteers himself to use the gauntlet and bring back everyone that disappeared in Thanos's snap. He knows that he can resist both the radiation poisoning and the immense pain brought on by using the stones.

Banner succeeds, though they are almost immediately attacked by Thanos, who has been brought to Earth by the impostor Nebula, destroying the quantum portal in the process. Thanos reduces the Avengers headquarters to ruins. He splitted the team up and Barton find himself protecting the gauntlet. The past Nebula is killed by her future self as she attempts to shoot Gamora.

Rogers, Thor, and Stark confront Thanos, who decides he will use the Infinity Stones to destroy the universe and create one in his vision. The three Avengers fight Thanos one on one, with Rogers confirming Thor's theory that he is worthy of grabbing the Hammer, but they are all beaten by Thanos.

Soon after Thanos' army lands on Earth. T'Challa appears on Rogers' left, together with all of the Avengers and other allies revived by Banner. They then launched their assault on Thanos and his army. After a long battle during which Stark is reunited with Parker and Quill is reunited with past Gamora, Thanos fights with numerous Avengers for the Infinity Stones. Captain Marvel reappears, taking out Thanos's ship while they fight to control the gauntlet. Stark pulls the Infinity Stones from Thanos' hand and puts onto his own device and use them to turn Thanos and his entire army into dust, triumphantly stating, "I am Iron Man."

For questions 1 – 3 please answer in complete sentence.

1. Who found the way of bringing all the ones that had disappeared?
2. Who appears to help the Avengers save the world?
3. Who kills the past Nebula?

For questions 4-8, choose the correct answer.

4. The Avengers work together despite their differences to defeat Thanos.
TRUE FALSE
5. Banner is unable to use the gauntlet because of the pain caused by the Infinity Stones.
TRUE FALSE
6. Why do the Avengers need to travel in time?
a) To destroy Thanos once and for all
b) To find the Infinity Stones and create another gauntlet
c) To rebuild their headquarters
7. What happens after Banner uses the gauntlet to bring everyone back?
a) The Avengers immediately defeat Thanos.
b) Thanos attacks, destroying the Avengers' headquarters.
c) Thor sacrifices himself to protect the team.
8. What does Tony Stark do to defeat Thanos in the end?
a) Teams up with Captain Marvel to destroy Thanos' ship
b) Uses Thor's Hammer to overpower Thanos
c) Takes the Infinity Stones from Thanos and uses them against him

9. Find the word in the passage which means the OPPOSITE of:
little (paragraph 2)

enemies (paragraph 5)

10. Find the word in the passage which means the SAME as:
battle (paragaraph 1)

taking (paragraph 4)

You deserve 5 minutes movie

B – Section R2 – Summary (10 marks – 8 marks for summary and 2 marks for style)
Read paragraphs 3, 4, and 5. With the information you find, write a summary in your own words on How the Avengers defeated Thanos. Do not use fewer than 50 words or more than 75 words.

C - Section R3 - Reading (10 marks)

Read the passage about The Avengers World. Six sentences have been removed from the text. Choose from the extracts A – H, the one which fits each gap. One of them has been done for you as an example. There are two extracts you do not need to use.

- a.*** “Its most dramatic element is the return of Bucky Barnes, Steve’s childhood friend.”
- b.*** “They try to prevent him from completing his mission.”
- c.*** “Endgame delivers a powerful mix of humor, loss, and heroic sacrifice.”
- d.*** “The story follows the group’s attempt to stop Loki, Thor’s adoptive brother, who arrives on Earth with an alien army.”
- e.*** “Together, these stories form an evolving narrative about responsibility, teamwork, and the personal cost of protecting the world.”
- f.*** “While the film received mixed reviews for its busy plot, it was appreciated for its darker direction and deeper exploration of the heroes’ fears.”
- g.*** “The surviving heroes reunite to reverse the catastrophic event known as ‘the Blip.’”
- h.*** “Thanos, a powerful intergalactic warlord, begins collecting the Infinity Stones” ***example***

The Avengers World

The Marvel Cinematic Universe (MCU) introduced audiences to a new kind of interconnected storytelling, and nowhere is this more evident than in the Avengers saga. The first major team-up, *The Avengers* (2012), brought together heroes who had previously appeared in solo films: Iron Man, Thor, Captain America, Hulk, Black Widow, and Hawkeye. Directed by Joss Whedon, the film impressed viewers with its balance of action, humor, and teamwork. 1. . Many fans praised the sharp dialogue, the chemistry among the cast, and the excitement of seeing well-known characters share the screen for the first time.

Three years later, *Avengers: Age of Ultron* (2015) presented a more complex challenge for the team. This time, the threat came from inside: Ultron, a powerful artificial intelligence created by Tony Stark and Bruce Banner. Although intended as a peacekeeping program, Ultron quickly becomes a ruthless villain determined to create a “better” world by eliminating humanity. 2. . It also introduced Wanda and Pietro Maximoff, siblings from the fictional country of Sokovia, who play a crucial role in the emotional conflict of the story.

The MCU continued to expand through other characters’ journeys as well. In *Captain America: The Winter Soldier* (2014), Steve Rogers discovers a serious conspiracy inside S.H.I.E.L.D., the agency he works for. The film adopts a political thriller style, focusing on hidden agendas, government surveillance, and the moral ambiguity of modern security systems. 3. . He has been brainwashed and transformed into a deadly assassin. Widely praised for its realistic action sequences and intelligent plot, the movie is still considered one of the best in the franchise and helped shape the direction of later Avengers films.

By the time *Avengers: Infinity War* (2018) arrived, the universe had grown significantly, allowing dozens of heroes to join forces against a cosmic threat. 4. Those six items together will give the holder unlimited power. The Avengers, along with the Guardians of the Galaxy, Doctor Strange, Spider-Man, and Black Panther, try to prevent him from completing his mission. The film is known for its shocking ending, in which half of all life in the universe disappears after Thanos succeeds., as several beloved characters vanished in what became one of the most memorable cliffhangers in modern cinema.

One year later, *Avengers: Endgame* (2019) concluded what fans refer to as the “Infinity Saga.” 5. Through a risky time-travel plan, they revisit key moments from previous films, offering nostalgic flashbacks and meaningful character resolutions. 6. It also gives closure to long-running story arcs such as Iron Man’s personal journey and Captain America’s sense of duty. The battle against Thanos in the final act has been described as one of the most ambitious scenes in superhero cinema. As the MCU expands into new characters and phases, the Avengers films remain central to understanding how these heroes grow, unite, and ultimately inspire audiences around the world.

***D) Change the sentences so that they mean the same as the sentence given.
Begin each sentence with the words provided for you.***

1. Thor has never needed help to beat any enemy.

Never

2. Hulk should really get angry. The Avengers need him to smash the Chitauri.

It's high time
